BDS 43/180C ADV

DESCRIPTION

The single disc machine BDS 43/180 C Adv is perfectly balanced with two sturdy aluminium bars and is perfect for the deep cleaning of hard and elastic floors and textile flooring coverings, as well as sanding parquet. 430 mm working width, the powerful 1400 W motor and the maintenance-free full-metal planet carrier make the machine a universal all-rounder.

The wide handle also permits simple handling for inexperienced users. The separate tank can be easily removed for filling. It supports the contact pressure without having a negative impact on the hand weight.

SPECIFICATION

Type / Category	Floor Scrubber / Scrubber Drier
