BDS 43/DUO C ADV

DESCRIPTION

This machine is as easy to manoeuvre as a vacuum brush. It exerts ten times more contact pressure than mopping by hand with far better cleaning performance. And this, at a roller speed of about 1,500 revolutions. The machine maintains suction while vacuuming forwards and backwards. The squeegees can also be raised for stubborn dirt. This ensures a longer contact time for the cleaning fleet.

Ideal for cleaning of smaller shops, restaurants, petrol stations, supermarkets, sanitary areas, hotels and snack areas or as a supplement to an existing scrubber drier.

SPECIFICATION

Type / Category	Floor Scrubber / Scrubber Drier
Current Type (V/Hz)	220-240/50
Rated input power (w)	820
Working width of brushes (mm)	300
Brush rotation speed (rpm)	1450
Water Tank (L)	4/4
Weight (with accessories) (kg)	15.1
Dimensions (L x W x H) (mm)	390 x 335 x 1180
