PUZZI 8/1C

DESCRIPTION

Powerful yet compact spray extraction machine for cleaning small areas of carpet. It offers the best results – in terms of reverse suction of all comparable competitor machines. The Puzzi 8/1 C ensures fabric surfaces can be used again as quickly as possible.

The power cable can be positioned using a fold-out cable hook. The machine has an integrated nozzle holder. The very low residual moisture allows cleaned carpets and upholstery can be used again soon.
