SE 5.100

DESCRIPTION

The SE 5.100 spray extraction cleaner cleans textile surfaces, carpets, upholstery, mattresses, sofa seats and car seats deep into the fibres without staining the surfaces cleaned.

Cleaning solution is sprayed deep into the fibres under pressure and removed together with the dissolved dirt hence ideal for allergy sufferers and households with pets. The machine has a 2 tank system for clean and dirty water with easy filling and emptying. Comes with different nozzles to give you the best cleaning experience.
