# GK400D

## DESCRIPTION

Advanced OHV \* Low fuel consumption \* Lightweight and compact design \* Easy and fast starting \* Stands up to hard work!

## SPECIFICATION

| Type / Category                    | Engines & Motors                                    |
|------------------------------------|---|
| Engine Type                        | Single-cylinder, oblique, air-cooled, 4-stroke, OHV |
| Bore x Stroke                      | 89 x 64   |
| Displacement                       | 0.398   |
| Compression ratio                  | 8   |
| Rated power/ Rated speed           | 7/3000 7.7/3600                                     |
| Lowest rotation speed at zero load | ≤1440   |
| Lubricating system                 | Splashed  |
| Starting Method                    | Recoil Starter or Electric Starter                  |
| Fuel Tank Capacity (L)             | 6.5   |
| Fuel Consumption                   | 374   |
| Lube oil type                      | CD Grade or SAE 10W-30, 15W-40                      |
| Lube Oil Capacity (L)              | 1.1   |
| Weight (kg)                        | 33 (Electric Starter 36)                            |
